DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 03/15/2001, 12/24/2003, 03/12/2004 has been considered.

Allowable Subject Matter

2. Claims 1-18 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not particularly teach or suggest a control section for performing control of writing each line of input image data to the image memory in turn while reading image data from the image memory in predetermined coding units, in a manner such that: when a picture of the image data has been written, if the number of data units, each corresponding to the coding unit, is equal to or below a first threshold, then a picture is skipped in the image data writing operation (see [0052], page 3, Patent Application Publication US 2001/0022629 A1); and when a picture of the image data has been read, if the number of written lines is equal to or below a second threshold, then the same picture is again read in the image data reading operation (see [0053], page 3, Patent Application Publication US 2001/0022629).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
